Report of the Superintendent of Schools

To the School Board and Citizens of Tilton and Northfield:

I have the duty and pleasure of submitting herewith my annual report as Superintendent of schools:

The accompanying table gives certain records for the school year ending June 30, 1928 and for the previous year.

	1927-28	1928-29
Total enrollment	489	502
Boys	242	256
Girls	247	246
Average membership	451	444
No. of tardinesses	314	326
No. not absent or tardy	40	35
Per cent of attendance	95	95
No. local pupils enrolled at Tilton school	108	109
Visits by Superintendent	280	375

Twenty-eight pupils completed the work of the eighth grade at the Union School in June and were granted certificates by the school board. Under the supervision of Mrs. Ethel S. Worthen, music supervisor, the operetta, "Princess Chrysanthemum" was given in a most pleasing manner by the children as a part of the closing exercises.

The class list follows:

Doris Meserve	Delmont Allen
Marcia Remington	Lawrence Connolly
Dorothy Sanborn	Eloise Harriman
Rose Smith	Ruth Kingsbury
Jennie Virgin	Samuel Lees

Evelyn Broadley	Clayton Plummer
Ruth Gile	Merle Rollins
Enid Kimball	James Smith
Laura LeBoeuf	Marion Straw
Agnes Moses	Shirley Woodman
Edna Rollins	Mona Beaupre
Millicent Shaw	Audrey Downing
Gerald Steenbergen	Edwin Joscelyn
Ernest Willmott	Ernest LaValley

Nineteen local students were members of the class which was graduated at Tilton school last June. Seven of these entered higher institutions in September. The list of the local graduates follows:

James H. Simpson	Philip T. Beauchesne
Alberta M. Carter	Erskine E. Broadley
Lillian B. Connolly	Harry F. Davidson
Emma M. Fillion	Paul E. Dearborn
Jean McA. Joyal	Morrill W. Leavitt
Lillian C. Milotte	Patrick S. O'Shea
Dorothy E. Parker	Laurence O. Perthel
Beatrice A. Pelletier	Edgar J. Robert
Exzelia M. Robert	Frederic N. Seaver
William C. Batchelder	

Several changes have taken place in the teaching force at the Union School due to resignations in June. Miss Ellen Hobbs of Manchester, a recent graduate of Plymouth Normal, succeeded Miss Sullivan in grade one, and Miss S. Katherine Baker of Hollis, also a recent graduate of Plymouth, succeeded Miss Gerrish in grade three. Miss F. Marjorie Cross of Manchester, a graduate of the 3-year course at Keene and an experienced teacher, was chosen to

fill the vacancy caused by the resignation of Miss Aldrich who had been our principal for two years. Miss Marian Letson of Wollaston, Mass., a graduate of the 3-year Domestic Arts Course at Keene, succeeded Miss Starkey as assistant in the upper grades.

Mr. C. Edward Morton of Concord, a graduate of the 4-year Mechanic Arts Course at Keene, has the work in manual training with the boys of the 6th, 7th and 8th grades. Mr. Morton is with us two days each week. Last year no manual training was given as we were unable to secure a part-time teacher. We were fortunate in being able to make this arrangement for this year.

The only new teachers in the rural schools are Miss Mildred Towle, a graduate of Plymouth, at the Rand School, and Miss Marion Dearborn, a graduate of Plymouth, at Lochmere.

The school board and superintendent regret that it is necessary to report at this time the recent resignation of Miss Louise Emery, who has been with us six years. Miss Emery has worked with those children in the lower grades who, for one reason or another, fell behind in the regular class work. Her task has been one requiring much tact and patience. Her success has been marked. Both her fellow teachers and the children are sorry to have Miss Emery give up her work.

Mrs. Lurline H. McCook, who succeeded Miss Elizabeth Partington as district nurse, has taken up the school work with enthusiasm. She has given considerable attention to the underweight problem and has secured the interest of parents and the local chapter of the Red Cross so that all under weight children are served with milk at the forenoon

recess.

The following table shows the assignment of teachers and the present enrollment of pupils in the several schools:

At the annual school meeting last March announcement was made of the generous gift of the school district by Mr. Obe G. Morrison of the Eastman property. Mr. Morrison has often shown his unselfish interest in the community and by this gift he met a real need. The school now has a much enlarged and adequate playground for which there has been a growing demand. The lot is well located and with proper development will admirably meet the needs of the community as a summer playground center. The Eastman house has been remodeled in part and a very attractive school-room made on the first floor. This room accommodates a group of first and second grade children, relieving the overcrowded conditions in these grades in the main building. This group is in charge of Miss Louise Blanchard. The upper grade girls have their sewing in two bright, sunny rooms on the second floor, and it is expected that the kitchen will be equipped for the teaching of cooking in the near future. The superintendent's office has been moved from the Union building to the Eastman house. This removal made available an additional room so that no longer is it necessary to use one end of the lower corridor at the Union building as a classroom. Unofficially the Eastman house is known as the Annex.

The boiler at the Union building has now been in use over thirty years. In the opinion of the inspectors for the

indemnity company "this boiler has about outlived its economic usefulness." The company strongly advises that serious consideration be given to its early replacement. The school board will insert an article in the school warrant under which it is hoped an appropriation will be made sufficient to replace the old boiler and to make such changes in the heating system as seem advisable.

The following table makes it convenient to compare the expenditures as proposed by the school board for the next fiscal year with the recommendations made by the school board and approved at the last school meeting for this current fiscal year. It should be kept in mind that the current fiscal year does not end until June 30.

The annual school meeting will be held this year at Tilton Town Hall on March 22, at 7:30 in the evening. At this time the terms of three members of the school board will expire, namely, Mr. Hiram R. Blanchard, Mrs. Clara D. Fellows, and Mrs. Mabel W. Hill. As the law fixes the membership of the board next year at six it will be necessary to elect two members.

Again I am glad of the opportunity of thanking the members of the school board for their unfailing courtesy and helpfulness, and the teachers for their generous co-operation and loyalty.

Respectfully submitted,

CHANNING T. SANBORN,
Supt. of Schools.
